Dear Students,  
"Almost everything will work again if you unplug it for a few minutes... including you."

– Anne Lamott

We live in a fast, connected world full of opportunities and inevitable distractions. Every day, you walk into the classroom as a citizen of the future, and whether you realize it or not, you are building something more valuable than knowledge—you are building character. Learning will not always be easy. Some days will test your patience and frustrate you, but growth comes from showing up, trying again, and refusing to settle down for anything less than your best, and that is when your mistakes become your stepping stones. Success is a habit, built through effort, patience, and reflection. Nowadays distractions are everywhere. At one moment you are having a short study session on a tablet and before you know it, you dive headfirst into hours of scrolling. A quick project search can drift into endless browsing. Often, this happens because of a lack of digital discipline. Digital discipline is not about avoiding technology - it is about mastering it. We should use this technology as a tool and not let it be the other way round.

**Quick tips:**

- \* Set clear goals before using a device.
- \* Use timers or reminders to stay focused.
- \* Keep gadgets away during meals and study hours.
- \* Choose educational or creative platforms over mindless browsing.
- \* Watching reels and shorts kill your creativity and attention span.

Dear children, in the right hands, technology becomes a partner in growth. It helps you sharpen talents, broaden horizons, and prepare for the future. Our personal growth stems from the mindful choices we make everyday, and digital discipline is that one choice you will be thankful for later in your life. Be present in the moment, be curious. Take risks. Support one another. Keep moving forward. The world needs thinkers who can listen, leaders who can learn, and people who can rise above obstacles that come their way. Do not let technology pull you down, instead flip the picture and use it to rise up. Believe in your journey, trust your strengths, and remember - your best chapters are still the ones that are unwritten.

Thank you.

**INDEPENDENCE DAY**

The 79th Independence Day on 15th August, 2025, was celebrated with great pride and patriotic fervour in our school. The programme began with the school prayer, after which our respected Principal, Preetha Miss, hoisted the National Flag. As the flag soared high in the rainy morning sky, the entire school joined together to sing Jana Gana Mana, our National Anthem.

The formal programme then began with a thought-provoking address by our teacher representative, Ms. Liss M. Jose who, subtly yet beautifully, incorporated Rabindranath Tagore's poem "Where the Mind is Without Fear" into her speech. The school choir then gave a melodious performance of the patriotic song 'Mama Bharatam'. Following this, student representatives from different sections came forward to share their thoughts and artistic expressions on the meaning of independence. Estelle Susan Davis from the UP section delivered her speech in Hindi, reminding us of the sacrifices made by various Indian freedom fighters. Abhiram Krishna from the High School section recited a

stirring Malayalam poem filled with patriotism. Lakshmi Ananya, from the Plus Two section, rendered a speech in English, emphasising the value of our nation's independence.

The highlight of the celebration was the inspiring address by the Chief Guest, Mr. Venugopal G. Kurup, Zonal Director of the Cochin Zone, Narcotics Control Bureau. He shared his wisdom with the students, warning against the hazards of substance abuse and spoke about the importance of staying vigilant and making wise choices. His words were powerful, leaving a deep impression on the young audience. The programme continued with the choir's stirring rendition of 'Sare Jahan Se Acha', a song that never fails to awaken patriotic pride. The celebration concluded on a joyful note as the school sang "Happy Birthday" to the beloved founder of our school, Nalini Valiyamma, whose vision and dedication continue to guide us.

The day was not only a tribute to our nation's independence but also a reminder of the responsibilities that come with it. It filled us with pride in our country and reminded us to protect the values of our freedom.

**Mrs. Deepthi Menon**

Executive Director

Dear Hari Sri Family,  
The month of August is imbued with patriotism as the whole school commemorates the occasion of Independence Day with fervour. The day is also significant because it coincides with the birthday of our Founder Principal, Nalini Valiamma. Our vibrant Preetha Miss also celebrates her birthday on the 24th of August. As always she was engulfed with wonderful cards on the occasion. The troubling issue of Drug Abuse was showcased through a poster making competition and the winners were awarded prizes by Mr. Venugopal G. Kurup, Zonal Director of the Cochin Zone, Narcotic Control Bureau. Nirmala Books, Chalakkudy, held a book exhibition over three days and it was a success with children and parents buying books with abandon. The ICSE and ISC Inter House Quiz competitions saw active participation from the sections. The young ones of Class IIC performed a short skit titled 'Sugar Showdown' on the ill-effects of sugar, an initiative that has been taken seriously by the ICSE Council. Hari Sri conducted the CISCE Regional Badminton Tournament at the Indoor Stadium. Our students also won laurels at the ASISC Regional Karate Championship. It was a matter of extreme pride for us when our debating teams, both Junior and Senior, were adjudged the best teams, along with individual prizes at the Frank Anthony Memorial All India Inter School Debate Competition, where they put up a spirited defence. The At Home functions of the UP, the HS and the Plus 2 were also conducted in August. However, a separate supplement of the Hari Sri Pulse will be brought out with their details. That is all for now, folks! Keep smiling! God bless!

**FIFTEEN STRIDES** by Dr. Vijaynath V.  
Illustrated by Anaswara V, Class VIII D

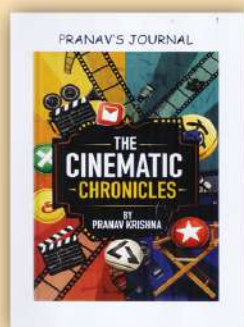

Anaswara's line drawings

'Fifteen Strides' is a book of fifteen rhyming poems written by Dr. Vijaynath who was a Hari Sri-ite in the primary section for a short while. His daughter, Anaswara V., a young girl of myriad talents, is the illustrator of the book. Her delightful line drawings enhance the simplicity of the poems. The poet touches on universal subjects, delving into mythology, both Greek (Tantalus) and Indian (Jatayu). His love for Thrissur, and Kerala, is evident in his poems like 'Thrissur Pooram', 'Kottapuram' and 'Kochi Metro'. "My life is full of wit," he says in 'Kottapuram'. This wit comes out further in poems like 'Heaven and Hell', 'It', 'Jungle' and 'Corona'. His serious side comes out in 'Cadaver' where he concludes, "The dead cannot tell the living that life is often unforgiving". Anaswara, a Class VIII student of Hari Sri Vidya Nidhi exhibits a talent for line drawings and her illustrations add value to her father's poems as she sketches the Corona virus, a jungle with animals, the Mahatma, celebrities like Princess Diana, Mother Teresa, the Ancient Surgeon, Susrutha and the tragic end of Jatayu. Her drawings of the Kottapuram and Vadakkumnathan temples are life-like.

I wish the father-daughter duo all the very best in their literary and artistic journey.

**Pranav's Journal THE CINEMATIC-CHRONICLES**  
by Pranav Krishna P, Class VII C

It is with amazement that I went through 'Pranav's Journal - The Cinematic Chronicles,' which is a rib-tickling tale of the Adventure Squad, a group of children who set out to make a movie in Hollywood and their comic antics while filming it.

Pranav Krishna displays a style of writing all his own, allied with a sense of comic timing. He is obviously a fan of the Wimpy Kid and American television series as well. His writing is fast-paced, his dialogues colloquial imbued with humour and irony. Pranav Krishna has an imagination that runs riot and knows how to weave a story. If this book is an indication of his literary merit, he could turn into an author of note in the future.

I wish Pranav all the best in his writing journey.

The vibrant atmosphere was filled with creativity and talent as students from various classes showcased their skills in a series of cultural competitions held on two separate occasions in July. On 26th July, students from classes VI to XII participated in Category 4 and 5 Cultural Competitions. The day was marked by fierce yet enthusiastic performances in a variety of categories.

On 2nd August, 2025, the spotlight shifted to the younger students, as Category 2 and 3 Cultural Competitions were conducted for Class 1 to 5. The performances impressed the judges, making it a challenging task to decide on the winners.

The winners of both the events will go on to represent the school at zonal level competitions. The Cultural Competitions were a resounding success, showcasing the diverse talents of the students and fostering a sense of creativity and healthy competition.
